## Project Exhibit Rules/Requirements

1. **A member may only exhibit in one skill area/discipline of the shooting sports project.** Therefore, youth enrolled in multiple shooting sports disciplines should choose only one skill area to complete a display board/stand-alone item and record book in. **The display boards' topics should stay in close relationship with the discipline chosen. Please do not use topics outside the scope of your 4-H project. (Example; .22 Rifle Project – should not use the topic of different types of military machine guns.)**

2. **Completed e-Record that contains the inventory sheet and the discipline log record for all disciplines the exhibitor participated in, in a sturdy binder/notebook.**

3. **Display may be a display board or a stand-alone display.** The standardized display board size of 4' x 3' is to be used. No additional items may be included on or in front of the display board. No wooden display cases. **No display boards or decorative items are allowed in the Stand-Alone classes. No humanoid targets are allowed in any form, including within photographs or drawings.**

4. **All Stand Alone Exhibits are requested to attach a page explaining:**

- A. What the project is?
- B. How is it used?
- C. How was it made?

**Please use a large enough font or handwriting large enough that an audience can read it from a distance when displayed.**

5. **No live ammo, or projectiles including pellets, round balls, or arrows, (with or without field points, broadheads), knives, functional or nonfunctional firearms or bows will be allowed as an exhibit. Cardboard, paper cutouts or décor resembling firearms or bows are allowed for display purposes in the display or stand-alone classes.**

6. **Exhibits showing safety violations will result in a lower placing ribbon level. Do not use the word weapon when creating your display. Make sure that there are no safety violations in your display. (Example: no earplugs visible, member not wearing safety glasses on a photo of a youth firing his/her firearm.) Do not use pictures of primarily tactical in design firearms in your display, (example: AR platform or military type firearms.**

7. **In order to represent Larimer County on a State Shooting Sports Team at the State Shooting Competition, the 4-H member MUST exhibit a display board or stand-alone item and record book at the Larimer County Fair and earn at least a red ribbon placing.**

8. **Display Board and Stand Alone Exhibits:** Display items illustrating something learned in the project this year. Exhibit may be a display board or a stand-alone item, such as gun stocks, decoys, etc. Display items are to be entered in specific discipline that the exhibit relates to (i.e., .22, air rifle, shotgun, etc.).

9. **Stand Alone Exhibits and Decorative Items chosen for State Fair: There is a maximum size of 3' in width and depth and 7' in height. The item must be stable when standing in order to be displayed within the 3' x 3' space. Stand Alone Exhibits chosen**

**for State Fair, heavier than 35 lbs. will be the responsibility of the exhibitor to take to the State Fair. If an exhibit is larger than this, a notebook can be used as an exhibit showing how and what was made.**
